We apologise for any inconvenience you may experience due to your bag being delay / lost. Such isolated incidents are not typical of Air Seychelles' good standard of service and we make every effort to locate your property as quickly as possible. The information you will require to provide on this form about your luggage - such as style, colour, and contents will enhance our search. After you report your delayed/lost luggage, Air Seychelles will immediately begin a search using our automated luggage tracing system. Our Baggage Handling Department will contact you when the luggage is located.

Please forward your Ticket Cover and Receipts for items you are claiming for. Remember that the more information about your baggage you provide, the faster we will be able to find it and deliver it to you.
