##### Red Riding Hood

Fantasy/Adventure  
100 mins

Cast: Amanda Seyfried, Julie Christie, Gary Oldman  
Director: Catherine Hardwicke

Valerie is a beautiful young woman torn between two men. She is in love with a brooding outsider Peter, but her parents have arranged for her to marry the wealthy Henry. Unwilling to lose each other, Valerie and Peter are planning to run away together when they learn that Valerie's older sister has been killed by the werewolf that prowls the dark forest surrounding their village. For years, the people have maintained an uneasy truce with the beast, offering the creature a monthly animal sacrifice. But under a blood red moon, the wolf has upped the stakes by taking a human life. Hungry for revenge, the people call on famed werewolf hunter, Father Solomon (Gary Oldman), to help them kill the wolf. But Solomon's arrival brings unintended consequences as he warns that the wolf, who takes human form by day, could be any one of them. As the death toll rises with each moon, Valerie begins to suspect that the werewolf could be someone she loves. Panic grips the town as Valerie discovers that she has a unique connection to the beast - one that inexorably draws them together, making her both suspect ... and bait.

*Valérie est une jeune femme sublime déchirée entre deux hommes. Elle est amoureuse de Peter, mais ses parents ont arrangé son mariage avec le riche Henry. Ne voulant pas se perdre mutuellement, Valérie et Peter décident de s'enfuir ensemble lorsqu'ils apprennent que la grande sœur de Valérie s'est faite tuer par le loup-garou qui rôde dans la sombre forêt qui entoure leur village. Depuis des années, les villageois vivent une trêve difficile avec le loup-garou, lui offrant chaque mois un animal en sacrifice. Mais lors de la Lune Rouge, le loup-garou a pris une vie humaine. Désireux de se venger, les villageois se tournent vers un célèbre chasseur de loup-garous, le Père Salomon (Gary Oldman). L'arrivée de celui-ci a des conséquences inattendues car il leur annonce que le loup prend une forme humaine la journée, rendant tous les villageois suspects. A chaque lune, le nombre de mort augmente et Valérie se demande si le loup-garou n'est pas l'un de ses proches. La terreur règne dans le village tandis que Valérie découvre un lien qui la lie au loup-garou, la rendant tout à la fois suspecte... et appât.*

*Valerie è una bella ragazza tormentata da una scelta d'amore. È innamorata di Peter, un vero e proprio outsider, ma i suoi genitori hanno già organizzato un matrimonio di interesse con il benestante Henry. Non volendo perdersi, Valerie e Peter hanno deciso di scappare via insieme, ma all'improvviso la sorella maggiore di Valerie viene uccisa dal lupo mannaro che vaga per la foresta intorno alla cittadina. Da anni, la gente del posto mantiene una difficile alleanza con la bestia, offrendogli in pasto ogni mese un sacrificio animale. Ma sotto una grande luna rossa, il lupo mannaro ha deciso di fare un passo avanti e sacrificare una vita umana. Aspettati di vendetta, gli abitanti chiedono aiuto al famoso cacciatore di lupi mannari Padre Solomon (Gary Oldman), per aiutarli ad uccidere la bestia. Ma l'arrivo di Solomon porta delle conseguenze inaspettate, con l'avvertimento che la bestia, che di giorno prende sembianze umane, potrebbe essere chiunque di loro. Ogni luna piena il tributo di sangue cresce e Valerie comincia a sospettare che il lupo mannaro possa essere qualcuno a lei caro. Il panico aumenta nella cittadina quando Valerie si accorge di avere un legame speciale con la bestia, che inesorabilmente li fa avvicinare, rendendola così indiziata ed esca allo stesso tempo.*

Determined to fight for her freedom, she urges four other young girls – the outspoken Rocket, the street-smart Blondie, the fiercely loyal Amber and the reluctant Sweet Pea – to band together and try to escape their terrible fate at the hands of their captors, Blue, Madam Gorski and the High Roller. Led by Babydoll, the girls engage in fantastical warfare against everything from samurais to serpents, with a virtual arsenal at their disposal. Together, they must decide what they are willing to sacrifice in order to stay alive. But with the help of a Wise Man, their unbelievable journey – if they succeed – will set them free.
