

Are you ready to travel?

#staysafe

Pre-departure

Guests travelling from Dubai International Airport (DXB) to Seychelles

All travellers, including infants and children, must have a negative COVID-19 PCR certificate to enter Seychelles.

The test must be taken not more than 72 hours before departure.

All travellers must submit the mandatory Health Travel Authorisation (HTA) via seychelles.govtas.com for approval prior to entering the country (includes children and infants). You will be required to submit your PCR results, a selfie, your passport details, hotel confirmation for your entire stay, other

relevant information as well as a payment card to complete the application. If vaccinated, please provide authentic vaccination card/certificate.

The HTA fees are EUR 45 for all travellers from 12 years and above including Euro 5.40 for infants and children from 0-11 years old. Please ensure you complete this process immediately after you have your PCR results.

Onboard

- Passengers will be advised to board the aircraft by rows, in a specific numerical order, as per their assigned seat.
- Each passenger will undergo one temperature screening at the aircraft door before final boarding approval is given.
- Masks will be required for everyone (6 years and above).
- Blankets and pillows will be available.
- Streaming in-flight entertainment will be available on your own device.
- Meal service from DXB-SEZ is a hot breakfast.
- Meal service from SEZ-DXB is a hot dinner.
- Complimentary cold and hot beverages will be served.

Dubai International Airport

- All our flights arrive and depart from Dubai International Airport (DXB) - Terminal 3.
- For your flight to Seychelles, make sure to arrive at the DXB Airport at least 3 hours prior to departure.

Measures taken

- Disinfecting surfaces after every flight.
- The cleaning process includes a wipe down of surfaces and areas such as windows, tray tables, armrests, seats, air vents and overhead lockers in the cabin, lavatories, galleys and crew rest areas.

Arrival in Seychelles

- Upon landing, passengers will need to follow the disembarkation instructions as advised by the cabin crew and observe the health and safety measures set by the authorities at the country of destination.
- Disembarkation will be done in groups as instructed by the cabin crew.
- The HTA can be presented in a form of hard or soft copy. Permitted hard copies are a paper print out and soft copies are Mobile app/ Apple Passbook.
- You may be randomly selected for additional COVID-19 health tests.
- Facemasks are mandatory. Observe COVID-19 safety rules.

PCR Testing

in Seychelles

COVID-19 PCR testing facilities are available for visitors before departure on Mahé, Praslin and La Digue. Your hotel can provide you with more information about PCR testing in Seychelles.

Location of the testing stations:

Mahé Island:

- **Central/ East: Music Stadium, English River** +248 438 8410 / +248 282 9340
- **North: Beau Vallon Health Center** +248 438 5001
- **South: Anse Royal Health Center** +248 438 8467
- **West: Anse Boileau Health Center** +248 435 5555
