Pre-departure

Guests travelling from Seychelles to Dubai International Airport (DXB)

All travellers must produce a PCR test taken not more than 72 hours before departure and present the test result certificate at check in. Children under the age of 12 and passengers who have a moderate or severe disability are exempted from the COVID-19 PCR test. **All travellers need to show proof of travel insurance at check-in.** Please check the requirements of the country you are travelling to as the travel regulations change frequently.

Onboard

- Passengers will be advised to board the aircraft by rows, in a specific numerical order, as per their assigned seat.
- Each passenger will undergo one temperature screening at the aircraft door before final boarding approval is given.
- Masks will be required for everyone (*6 years and above*).
- Blankets and pillows will be available.
- Streaming in-flight entertainment will be available on your own device.
- Meal service from SEZ-DXB is a hot lunch.
- Meal service from DXB-SEZ is a hot dinner.
- Complimentary alcohol and hot drinks will be served.

Measures taken

- Disinfecting surfaces after every flight.
- The cleaning process includes a wipe down of surfaces and areas such as windows, tray tables, armrests, seats, air vents and overhead lockers in the cabin, lavatories, galleys and crew rest areas.

Dubai International Airport

- All our flights arrive and depart from Dubai International Airport (DXB) - **Terminal 1**.
- For your flight to Seychelles, make sure to arrive at the DXB Airport at least 3 hours prior to departure.

Arrival in Dubai

- Upon landing, passengers will need to observe the health and safety measures set by the authorities.
- Domestic travel is not restricted, but some conditions may apply.
- Face masks are mandatory.
- Observe social distancing of 2 metres and COVID-19 safety rules.

Important Information

All returning travellers, including infants and children, must have a negative COVID-19 PCR certificate for entry back into Seychelles. **The test must be taken not more than 72 hours before departure.**

All travellers must submit the mandatory Health Travel Authorisation (HTA) via seychelles.govtas.com for approval prior to entering the country (includes children and infants).

You will be required to submit your PCR results, a selfie, your passport details other relevant information as well as a payment card to complete the application. If vaccinated, please provide authentic vaccination certificate. HTA will be processed at a charge of EUR 5.40 for Seychelles passport holders. Please ensure you complete this process immediately after you have your PCR results.

The HTA can be presented in a form of hard or soft copy. Permitted hard copies are a paper print out and soft copies are Mobile app/ Apple Passbook.
