

Are you ready to travel?

#staysafe

Pre-departure

Guests travelling from Seychelles to O. R. Tambo International Airport (JNB)

All travellers must produce a PCR test taken not more than 96 hours before departure and present the test result certificate at check in. Children under the age of 5 are exempted from the COVID-19 PCR test.

Travellers must also download the COVID Alert South Africa app and complete the Entry Screening Traveller Health Questionnaire before departure from Seychelles.

All travellers must provide proof of accommodation and their address while in South Africa in case they are required to self-isolate.

All foreign passengers, irrespective of country of origin arriving in South Africa must have travel insurance that covers the cost of any testing or quarantine. Please check the requirements before you travel as the travel regulations change frequently.

Onboard

- Passengers will be advised to board the aircraft by rows, in a specific numerical order, as per their assigned seat.
- Each passenger will undergo one temperature screening at the aircraft door before final boarding approval is given.
- Masks will be required for everyone (6 years and above).
- Blankets and pillows will be available.
- Streaming in-flight entertainment will be available on your own device.
- Meal service from SEZ-JNB is a hot dinner.
- Meal service from JNB-SEZ is a hot dinner.
- Complimentary alcohol and hot drinks will be served.

Measures taken

- Disinfecting surfaces after every flight.
- The cleaning process includes a wipe down of surfaces and areas such as windows, tray tables, armrests, seats, air vents and overhead lockers in the cabin, lavatories, galleys and crew rest areas.

Arrival in Johannesburg

- Upon landing, passengers will need to observe the health and safety measures set by the authorities.
- All travellers must present the completed Traveller Health Questionnaire and a negative COVID-19 PCR test result.
- All travellers will be screened for COVID-19 symptoms and will be required to answer any questions asked by the Health Authorities.
- Face masks are mandatory.
- Observe social distancing of 2 metres and COVID-19 safety rules.

List of Laboratories
