## Pre-departure

### Guests travelling from Seychelles to Velana International Airport (MLE)

All travellers must produce a negative COVID 19 PCR (nucleic acid) test result taken not more than 96 hours before departure and present the test result certificate at check in. Children under the age of 5 are exempted from the COVID-19 PCR test. Passengers who have transited for more than 24 hours must repeat the test.

Travellers must also complete the [Online Immigration & Health Self-Declaration Form](#) within 24 hours prior to departure. A copy of the test result has to be attached to the online declaration form. Travellers will then obtain a QR Code which should be presented to the Immigration Officer on arrival in Maldives. Passengers travelling as tourists must have a confirmed hotel reservation for their stay at registered tourist facilities. The visa on arrival facility is currently available.

All foreign passengers, irrespective of country of origin arriving in South Africa must have travel insurance that covers the cost of any testing or quarantine. Please check the requirements before you travel as the travel regulations change frequently.
