

Our Product

Flying the Creole Spirit

OUR BUSINESS

Air Seychelles was established in 1978 and began long-haul operations in 1983. As the national airline of the Republic of Seychelles, Air Seychelles is a pillar of tourism, the island nation's strongest and growing economic sector.

OUR FLEET

In March 2020, Air Seychelles took delivery of its second A320neo aircraft. The airline now operates the youngest fleet of A320neo aircraft on its regional services to Johannesburg, Mauritius, Mumbai and Tel Aviv.

On its domestic network, the airline owns and operates five DHC6-400 aircraft and offers over 350 weekly scheduled services between Mahé and Praslin, as well as charter flights to other islands within the Seychelles archipelago. Air Seychelles also offers a 30 minute scenic flight product on a daily basis providing guests a bird's eye view of the Seychelles inner islands. The scenic flight can be booked up to 24 hours prior to departure.

Airbus A320-200neo

THE SEYCHELLES

An archipelago scattered across the Indian Ocean, the Seychelles' 115 islands of colourful coral reefs, picturesque beaches, lush nature reserves and rare animals like the giant Aldabra tortoise has fascinated travellers for centuries.

The main island Mahé, famous for its Beau Vallon beach mostly frequented by tourists, is also home of the bustling capital of Victoria. Nature lovers looking to explore the spectacular array of flora and fauna can make the most of Vallée de Mai, a Unesco World Heritage Site located on the second most populated island of Seychelles, Praslin. For those looking for complete relaxation, La Digue island known for its tranquility is the place to be.

OUR PRODUCT
